

## **Post-College-Visit Activities for Mentors & Mentees**

1. Compare and contrast what you thought about college before your visit vs. after your visit.
2. What about yourself will you need to change/improve to be successful in college?
3. What was different at college from you expected and how was it different?
4. Write a letter to a friend or relative and describe your day at college.
5. Make a list of the “top 10” things people should know about a college before visiting one. Be ready to justify your reasons to others.
6. Make a list of the “top 10” things people should know about a college before attending one. Be ready to justify your reasons to others.
7. Go online to the college you visited and one other college that is within two hours of your school. Make up a chart comparing at least five things about the two colleges.
8. Look at academic majors offered by several colleges. Find three majors that appeal to you. Which majors would be a good fit for you as a learner? What about your learning and interests makes you feel this way?

***NOTE:*** *Student work can provide both qualitative and quantitative data to measure your program’s success.*

## **Post-College-Visit Essay**

Name: \_\_\_\_\_ Date: \_\_\_\_\_

College Visited: \_\_\_\_\_

Visiting a college campus can be an eye-opening experience. Many students who visit college find it quite different from what they expected. Please share about your trip; describe your experience visiting the campus and how it changed your perceptions of college.
